Powerful, Interesting and Inspirational Thoughts for חַנּוּכָּה!!!

1. It's interesting that we have 8 days of חַנּוּכָּה, but if you look at the date when חַנּוּכָּה falls out it is on the 25th of כֶּסֶלִי. So what? If you add 2+5 using מְסַפֵּר קָטָן you get 7. Where is the 8? The answer is you. What does that mean? You, that individual, make the 8th. Hashem wants you to recall your ups and downs during the year.¹ There are 52 states and חַנּוּכָּה falls out on the 25th of כֶּסֶלִי. So what is the connection? If you flip the number 25 around it's 52. They both equal 7. We בְּלֵל יִשְׂרָאֵל effect all of the 52 nations/ the world with what we do!!!¹
2. Chaim Solomon was a Jew who saved the Army through his financial contributions but died a pauper. When George Washington asked him what he would like as a personal reward for his services to the Continental Army, Solomon said he wanted nothing for himself but that he would like something for his people. The Star of דָּוִד was the result. 13 symbolizes the 13 Stars above the Eagle, the 13 Original colonies and other things as well.⁸ What does the number 13 Judaism correspond to? The 13 middos of Hashem. A person becoming a בַּר מִצְוָה at 13 etc. So what? The gematria of אָחָד is 13. Once someone has his בַּר מִצְוָה he has a חֵלֶק in בְּלֵל יִשְׂרָאֵל. He becomes a member of the nation. Every אָחָד/ individual has a role and job to fulfill in בְּלֵל יִשְׂרָאֵל!!!
Yes, every person has the power and can effect the world dramatically!!!
3. מְטִיתֵיהֶוּ had 5 sons that went into battle with the יֹנִים and were victorious. How is that possible? By the Jewish people numbers don't matter. Just like we admire our people for their, internal beauty not external beauty. When Jews unite whether it by 5, 10, 15 or 20 people etc. Hashem helps them defeat their enemies.
4. The letters on the dreidel נ, ג, ה, ש stand for נִס גְּדוֹל הָיָה שָׁמַיִם. The letters of ש, נ, ג, ה add up to 358 which is the גְּמַטְרִיָּה of מְשִׁיחַ and אֹבְמָא בּוֹרֵק!!! Isn't that shocking! This year we have a leap year that has 385 days in it. If you switch the number 385 around you get 358 same as מְשִׁיחַ!² You never know this could be

the year of the גאולה!!! I'll prove how this could be accurate. Let me ask you a question? Why is it so hard for us to bring משיח? The gematria of שטן is 359 and the gematria משיח is 358. So what? The שטן has more power over משיח. In other words it's in our to bring משיח ourselves.

5. How is it that the Arabs have so successful in killing so Jews ר"ל? **Rabbi Pinchus Lipshitz says**, "That the תורה was given on ה'ר סיני and he brings down from a מדרש רבה that notes something interesting, that the word "סיני" is the root word of "שנאה" - hatred. Once בלל ישראל got the תורה from ה'ר סיני all the nations **hated them**. So why is there so much antisemitism especially by the Arab terrorists? Well what happened was the following the hatred that they had towards us became a disease that effected our own nation. So what is the message that Hashem is sending us in our times that we keep sleeping on and failing to wake up on?

All these terrorist organization al-Qaeda, Hamas, Hezbollah etc.⁵ (even though, they are different groups) they are a משל to different groups in בלל ישראל like Chassidim, Lubavitch, Satmar etc. Hashem is telling us if we, בלל ישראל, can't get along with different groups of Jews in our own nation I'll have different terrorist organization unite with each other with one goal - **kill all Jews, G-D forbid/ ר"ל!!!** in order to show you that what you are missing is unity.

Everyone knows that ישמעאל stands for ישמע בל - which means G-d listens/hears. What's the difference? I think that in the situation that our nation is currently in it's time we listen to Hashem now instead of him hearing us. Who knows if G-d forbid what Hashem will have to do to get our attention!!! Hashem is waiting for us to get the message and we keep on ignoring it!!! **How much more צערות will Hashem have to bring to ישראל בלל for us to get the message, G-d forbid?!** Don't we want משיח's arrival already!?

Why are there so many car accidents, tragedies, people dying left and right ר"ל? The זוהר teaches that לשון הרע arouses the Great Accuser, bringing **death and destruction to the world!!!**³

The Arabs kill millions of people daily - causing millions of **deaths!** They brought **destruction** to the world trade center which that day till today has been known as 9/11!!!⁷

Learning the הלכות of לשון הרע isn't a nice thing to study. It helps us

become in more control of what say before it comes out of our mouth! Not only that, it causes us to become positive people. The main goal is that it potects us from causing disunity in **כָּלֵל יִשְׂרָאֵל!!!**

Where do we see that peace is important in America? The answer is on the back of the dollar bill. Where on the dollar bill? If you look at the dollar bill you will see an Eagle holding an olive branch and arrows. This country wants peace, but we will never be afraid to fight to preserve peace. The Eagle always wants to face the olive branch, but in time of war, his gaze turns toward the arrows. If you turn the Eagle upside down, you will see a configuration in the likeness of a Menorah...both at the insistence of George Washington who said we should never forget the Jewish people and what they have done in the interest of America.

There 13 Leaves on the olive branch. **אָחַד** is 13 As we discussed earlier before. If you look closely you will see that on the olive branch which in America is a symbol representing peace there are 13 fruits. So what? When represent and if you look closely. When Jews bring **שְׁלוֹם** into the world they bring **בְּרָכָה** as well. The fruit represent **בְּרָכָה**.

The **חֲתָם סוֹפֵר** in **פְּרִשְׁת וְאָרָא** says⁴ that the reason the Jews left **מִצְרַיִם** was because the Jews felt each other's pain so therefore it was decreased by split in half from 400 years to 210 years. Why 210 and not 200 years? The answer was that they were **יַחַד** - together. "י" - is 10 and "חד" is 1. The ten in the 210 years was hinting that they were together as one unit! There **אֲחָדוּת**, unity, was the reason we were **זוֹכָה** to have the **גְּלוּת מִצְרַיִם** shortened!!! In other words we control how long our **גְּלוּת** should be to some extent! Who says our **גְּאוּלָּה** will come when we reach the year 6,000! We can make it happen this year, as we learn from the **חֲתָם סוֹפֵר!!!**

Let's take the lesson from **מַטִּיתֵיהוּ**'s 5 sons who's unity helped defeat them **יוֹנִים**. May it be in the **זְכוּת** of our **אֲחָדוּת** that we show our follow Jews we will create **אֲהַבַת יִשְׂרָאֵל** and that will bring ultimate **שְׁלוֹם** which will be the key to bring **מְשִׁיחַ** and the **בֵּית הַמִּקְדָּשׁ** in our days **בְּיַמֵּנוּ אָמֵן!!!**

For the solution to bring the **גְּאוּלָּה** watch the film, "Tears for Moshaiach," go to - www.comingofmoshiach.com. To find out more about this film go to the next page.

Notes:

¹The **פֶּשֶׁט** with 25 is my **פֶּשֶׁט**, there no source for it just sounds interesting. The other one is my **פֶּשֶׁט** as well.

²This is my **כבוד** as well. There is no source
